# **Self Assessment Form**

#### Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

## Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
1.2	A complaint must be defined as: 'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'	YES	This is the definition we use in our policy and all related documentation.	This is the only definition referred to throughout our Policies and Procedures.
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	YES	An explanation of a service request or support service request is included in information documentation provided to residents to explain the procedure around raising issues and then complaints. All complaints received from a third party are handled in accordance with HHT Complaints Procedure.	A resident can raise a service request or a support service request as a way to indicate when something has gone wrong and is a way for a client to ask Herring House Trust to put this right. All residents are supported to discuss issues on a weekly basis in support planning and contact meetings.
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be recorded, monitored and reviewed regularly.	YES	Service requests are included within or procedures and explained to residents through information sheets.	No further action required.
1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.	YES	This the procedure identified within our Complaints Policy and Procedure	
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	YES	As part of the Herring House Trusts Lived Experience and Co-production Strategy we are actively pursing service reviews from residents. Part of this work includes information on service dissatisfaction and ways to complain.	This work is ongoing – with services currently being reviewed by residents as part of a service evaluation.

#### Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	YES	We would not refuse a complaint from a resident. There may be reasons whereby complains fall outside of the Complaints Policy & Procedure but we would write to the person and explain our position.	
2.2	<ul> <li>A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include:</li> <li>The issue giving rise to the complaint occurred over twelve months ago.</li> <li>Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court.</li> <li>Matters that have previously been considered under the complaints policy.</li> </ul>	YES	Our current Complaints Policy states we will not consider a complaint if it occurred 12 months previously. Our Policy does outline reasons other than time scale which are acceptable exclusions as per the code.	
2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	YES	Our current Complaints Policy states we will consider a complaint if it occurred 12 months previously.	
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	YES	An explanation letter would be written to the resident setting out the reasons for not accepting the complaint and how to contact the Ombudsman.	
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	YES	We do not exclude complaints.	We consider each circumstance of a complaint.

#### **Section 3: Accessibility and Awareness**

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
3.1	Landlords must make it easy for residents to complain by providing different channels through which they can make a complaint. Landlords must consider their duties under the Equality Act 2010 and anticipate the needs and reasonable adjustments of residents who may need to access the complaints process.	YES	We accept complaints through all our communication channels which is communicated to residents in our information sheets.	
3.2	Residents must be able to raise their complaints in any way and with any member of staff. All staff must be aware of the complaints process and be able to pass details of the complaint to the appropriate person within the landlord.	YES	All staff induction contains training on the Complaints Procedure and all staff receive regular refresher training.	
3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low complaint volumes are potentially a sign that residents are unable to complain.	YES	All complaints are seen as an opportunity to learn and adapt ways of working.	
3.4	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the two stage process, what will happen at each stage, and the timeframes for responding. The policy must also be published on the landlord's website.	YES	We have a Policy and Procedure available and a summary of the procedure is given to clients at the first stage of accommodation.	
3.5	The policy must explain how the landlord will publicise details of the complaints policy, including information about the Ombudsman and this Code.	YES	This is within the Complaints Procedure.	
3.6	Landlords must give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord.	YES	We accept complaints from third party advocates acting on behalf of residents.	
3.7	Landlords must provide residents with information on their right to access the Ombudsman service and how the individual can engage with the Ombudsman about their complaint.	YES	Details of the Ombudsman are made available in acknowledgement letters.	

## Section 4: Complaint Handling Staff

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. This role may be in addition to other duties.	YES	We have two senior managers responsible for complaint handling who are the best people to investigate a complaint. One of the senior managers has overall responsibility for complaint handling including liaison with the Ombudsman.	
4.2	The complaints officer must have access to staff at all levels to facilitate the prompt resolution of complaints. They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	YES	The complaints managers have access to all staff and authority to resolve disputes.	
4.3	Landlords are expected to prioritise complaint handling and a culture of learning from complaints. All relevant staff must be suitably trained in the importance of complaint handling. It is important that complaints are seen as a core service and must be resourced to handle complaints effectively	YES	All staff are trained in the importance of complaint handling and the system is sufficiently sustainable within the current staffing structure.	

## Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	YES	We have a single policy – there is no evidence of anyone being treated differently if they complain.	This will continue to be monitored and reported upon.
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	YES	We have two formal stages within our Policy.	No action required.
5.3	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	YES	We have a two stage process.	No action required.

Residents must not be expected to go through two complaints processes.	YES	We do not have any third parties who respond to formal complaints.	No action required.
5.5	Landlords are responsible for ensuring that any third parties handle complaints in line with the Code.	YES	We do not have any third parties who respond to formal complaints.	No action required.
5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as "the complaint definition". If any aspect of the complaint is unclear, the resident must be asked for clarification.	YES	The complaint handler will confirm their understanding of the complaint and the resolution requested at each stage of the process.	No action required.
5.7	When a complaint is acknowledged at either stage, landlords must be clear which aspects of the complaint they are, and are not, responsible for and clarify any areas where this is not clear.	YES

Landlords must keep a record of any reasonable adjustments agreed, as well as a record of any disabilities a resident has disclosed. Any agreed reasonable adjustments must be kept under active review.	YES	Protected characteristics, vulnerability and disability are known and recorded and reasonable adjustments to make a complaint are made.	
5.11	Landlords must not refuse to escalate a complaint through all stages of the complaints procedure unless it has valid reasons to do so. Landlords must clearly set out these reasons, and they must comply with the provisions set out in section 2 of this Code.	YES	We will escalate a complaint to stage 2 if the resident is unhappy with the stage 1 outcome within 10 days of receiving the outcome of stage 1.	
5.12	A full record must be kept of the complaint, and the outcomes at each stage. This must include the original complaint and the date received, all correspondence with the resident, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.	YES	All correspondence is retained and is recorded on the residents personal support logs.	
5.13	Landlords must have processes in place to ensure a complaint can be remedied at any stage of its complaints process.
